4. **Request Mast**

b. Personnel assigned to NETPDTC desiring to request mast will submit a Special Request/Authorization (NAVPERS 1336/3) to the Commanding Officer, via the chain of command. The request must be submitted in sufficient time to enable it to be reviewed by the Commanding Officer prior to the requested date.

5. **Discrimination Complaints**

a. Navy policy is to ensure equal treatment and equal opportunity for all personnel without regard to race, color, religion, gender, age, or national origin, and resolve discrimination complaints promptly and equitably. Discrimination

grievances or complaints should be resolved at the lowest level possible. If the complaint cannot be resolved at the lowest level, members may seek higher level resolution following procedures outlined in paragraph 3 above. Reference (a) details both informal and formal resolution procedures.

b. All personnel are responsible for submitting only legitimate complaints and to exercise caution against immature or reckless charges. Knowingly filing a false complaint is a violation of Uniform Code of Military Justice (UCMJ).

**6. Special Request Authorization Form (NAVPERS 1336/3)**

a. Individuals submitting special requests will:

(1) Submit original and three copies of Special Request/Authorization Form (NAVPERS 1336/3) and list all information pertinent to the requested action.

c. The approving authority, as listed in enclosure (1), will complete the necessary action on the NAVPERS 1336/3, and forward it to the Military Services Office (MSO), N831B. The MSO will return a copy of the chit to the requester.

8. Commanding Officer's Nonjudicial Punishment

a. A member of NETPDTC placing a person on report for an alleged violation of the Uniform Code of Military Justice will take the following actions:

(1) Prepare a Report and Disposition of Offense(s) (NAVPERS 1627/7). The person submitting the report will complete only the top portion of the front side of the form (through the signature of the person submitting the report) identifying the accused, (i.e., name, rate, SSN, division, etc.), and a brief statement as to the details of the offense, including the time, date and place of occurrence.

(2) Submit the NAVPERS 1626/7 to the legal officer.

b. Upon receipt of the NAVPERS 1626/7, the legal officer will be provided a name of a preliminary inquiry officer by the Executive Officer. The legal officer will provide the case file to the preliminary inquiry officer. In addition, the legal officer will advise the accused of the alleged offense(s).

c. Before interviewing the accused, the preliminary inquiry officer will advise him/her of his/her rights under Article 31, UCMJ. The designated officer will conduct an impartial investigation into the alleged offense(s), interview witnesses, take statements where applicable, obtain division officer's comments concerning the accused's performance and complete the reverse side of the NAVPERS 1626/7 with comments and recommendations. When completed, return the NAVPERS 1626/7 to the legal officer.

d. The legal officer will inform the accused of his/her rights pertaining to NJP and schedule an appointment with the Naval Legal Service Office, if necessary.

e. The legal officer will record the results of the nonjudicial punishment. The legal officer will notify the witnesses, chain of command and the master-at-arms of the time and place of the NJP hearing.

f. If the accused is awarded punishment, the legal officer will notify PERSUPDET NAS Pensacola of the NJP results so that
